

Kate Beuparlant
Chairperson, Voluntown Board of Education
Voluntown Public School System
Voluntown, Connecticut

December 19, 2024

Mr. Adam Burrows
Superintendent of Schools
Voluntown Public School System

195 Main Street
Voluntown, Connecticut

Dear Mr. Burrows,

The Voluntown Board of Education has received your retirement letter submitted on December 12, 2024 in which you have announced your plan to retire as the Voluntown Superintendent of Schools, effective June 30, 2025. This letter is to inform you that the Board, with a heavy heart and the deepest respect, has accepted your request for retirement from your part-time position as Superintendent since the 2005-2006 school year.

On behalf of the Voluntown Board of Education, we want to extend our extreme gratitude for the 19 years of dedication and quality of care you have extended to the Voluntown students, faculty, staff, parents and community as a whole. Your extensive experience and expertise from your 58 years in education have always helped our school in critical and challenging situations. Your budgeting skills are unparalleled as our business manager for nearly 20 budget cycles (several of which had slight to no increase to the local taxpayer). We all thank you from the depth of our hearts for your commitment to providing our students excellent educational opportunities throughout your tenure. Voluntown Elementary School is a stronger district because of your direct impact. We also greatly appreciate the ample notice given and any assistance you may provide in sourcing and transitioning the Superintendency to your successor.

Thank you again for your dedicated years of service to our school system. We wish you a happy retirement and an amazing new chapter with family, friends and plenty of time on your beloved boat.

Sincerely,

Kate Beuparlant
Chairperson, Voluntown Board of Education
